Hon'ble Irshad Hussain, J.

None appeared for the parties. The Writ Petition was filed with the allegations that the respondent's colleges and the D.I.O.S. have not taken decision to transfer the petitioner to one institution from the another. Direction was given to take appropriate decision within two months. The order was passed on 13.7.2000 and it appears that the cause action has been rendered infructuous as the matter of transfer has not been perused thereafter and considering this it is not the case of disobedience of the order of the court. Therefore the petition is dismissed. Notice discharged. Consign.
